

United States Mission to the OSCE

Draft Decision on the Time and Place of the Next Meeting of the OSCE Ministerial Council"

As delivered by Chargé d'Affaires, a.i. Katherine Brucker
to the Permanent Council, Vienna
May 9, 2024

Madam Chair,

I would like to say too that we share your disappointment that we were unable to get consensus on a date and time for the Ministerial Council meeting. I would just urge the countries that do not yet have instructions to please urge capitals to get them. This is really just an administrative matter, and we owe it to our Chair to provide sufficient time so that our Maltese colleagues can do the necessary preparations for the Ministerial in December.

Thank you.
