

REPRESENTATION PERMANENTE DE LA FRANCE
AUPRES DE L'O.S.C.E.

**Déclaration de M. Didier GONZALEZ, représentant permanent adjoint,
au Conseil Permanent n°811 du 27 mai 2010**

Monsieur le Président,

Au nom de la France, de la Fédération de Russie et des Etats-Unis d'Amérique, je souhaiterais attirer l'attention du Conseil permanent sur le communiqué de presse publié le 24 mai par les 3 co-présidents du Groupe de Minsk et distribué le 25 mai sous la cote SEC.PR/197/10.

Début de citation

« The OSCE Minsk Group Co-Chairs took note that so-called parliamentary elections took place in Nagorno-Karabakh on May 23, 2010.

Although the Co-Chairs understand the need for the de facto authorities in NK to try to organize democratically the public life of their population with such a procedure, they underscore again that Nagorno-Karabakh is not recognized as an independent and sovereign state by any of their three countries, nor by any other country, including Armenia.

The Co-Chairs consider that this procedure should not preempt the determination of the final legal status of Nagorno-Karabakh in the broader framework of the peaceful settlement of the Nagorno-Karabakh conflict ».
