FSC Journal No. 400, Agenda item 4

DECISION No. 6/03
OVERVIEW OF RESPONSES TO QUESTION 1 OF THE APRIL 2003
INFORMATION EXCHANGE ON THE CODE OF CONDUCT ON
POLITICO-MILITARY ASPECTS OF SECURITY

The Forum for Security Co-operation (FSC),

Recalling FSC.DEC/16/02, which expanded question 1 of the Code of Conduct Questionnaire to better address efforts made to combat terrorism,

Recognizing that an overview of the additional information exchanged for the first time in April 2003 in accordance with the OSCE Code of Conduct Questionnaire might enhance discussion on the steps taken by participating States to combat terrorism,

Decides to request the Conflict Prevention Centre (CPC), in consultation with the Action against Terrorism Unit (ATU), to prepare an overview of the information exchanged on 15 April 2003 in response to question 1 of the Code of Conduct Questionnaire. The Overview will be limited to the provision of statistical data related to implementation. Common practices would be identified and highlighted in general terms. The Overview will not enter into comparisons of national policies or provide any assessment of implementation. The Overview should be made available to the participating States not later than 17 September 2003. The Overview may entail the translation of the national returns. This task will be completed within the existing CPC budget.
