

HATE MONITOR

NOVEMBER 2023

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In November, the Mission, local authorities, CSOs, police, the judiciary and other stakeholders organized a series of events in 14 locations in BiH for the International Day of Tolerance. These collective efforts, including round tables, radio shows and community outreach, raised awareness of the hate crimes legal framework. In order to foster an inclusive society, they promoted community engagement in combating bias-motivated incidents.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
