

Right of reply by the Delegation of the Republic of Azerbaijan
Closing reinforced plenary session
Warsaw, 27 September 2019
As delivered by Fidan Mahmudova

With regard to the intervention by the US delegate, we would like to reiterate that there are no political prisoners in Azerbaijan; people mentioned in the statement have been arrested not on the ground of their professional activities, but for committing certain crime offences.

Regarding the issues raised by the EU delegation, we would like to stress that my Delegation, in its previous statements, comments and remarks during the previous sessions on numerous times, has covered all the issues. Therefore, we believe that there is no need to repeat ourselves.
