Manuel J. Kripp

Status quo of Modern Democracy

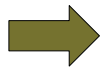

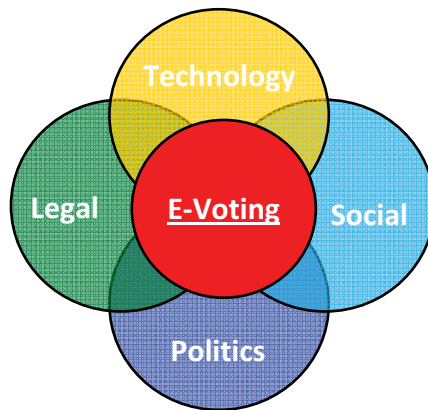

Handbook

- Not voting
- Planning trial, non-legally binding e-voting
- Successful legally binding electronic voting with voting machines
- Successful legally binding internet voting
- Successful legally binding internet and electronic voting
- Integrated electronic voting with voting machines

September 10 Competence Center for Electronic Voting and Participation 2

E-Voting is more than technology

All four aspects are success factor
for introducing technology in the electoral cycle
