**INTERPRETATIVE STATEMENT UNDER
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE
OF THE ORGANIZATION FOR SECURITY AND
CO-OPERATION IN EUROPE**

By the delegation of the Russian Federation:

“In joining the consensus regarding the Permanent Council decision on the adoption of the timetable of the Twenty-Seventh Meeting of the OSCE Ministerial Council, the Russian Federation expresses its deep disappointment at the fact that once again it proved impossible to reach agreement on a list of international organizations, institutions and initiatives whose representatives will be invited to the Ministerial Council meeting and will have the right to address the meeting and/or distribute written statements, as provided for in the Rules of Procedure of the OSCE.

Unfortunately, during the discussions, it again proved impossible to agree on the question of equal rights for organizations. We note the attempts to establish a discriminatory hierarchy for them, artificially giving some a higher status than others. This contravenes the provisions of the Platform for Co-operative Security of the 1999 Charter for European Security.

The Russian Federation hopes that in future the OSCE participating States will manage to overcome their differences on this question.

We take the position that, in the absence of a Permanent Council decision on the organizational modalities for the holding of the Twenty-Seventh Meeting of the OSCE Ministerial Council, statements by representatives of international organizations during the Ministerial Council meeting should be possible solely in accordance with the Rules of Procedure of the OSCE – only on the basis of an oral consensus decision by all OSCE participating States.

I request that this statement be attached to the adopted decision and included in the journal of the day.”

**INTERPRETATIVE STATEMENT UNDER
PARAGRAPH IV.1(A)6 OF THE RULES OF PROCEDURE
OF THE ORGANIZATION FOR SECURITY AND
CO-OPERATION IN EUROPE**

The delegation of Germany, in its capacity as EU Presidency, passed the floor to the representative of the European Union, who delivered the following statement:

“In connection with the Permanent Council decision just adopted on the timetable for the Twenty-Seventh Meeting of the OSCE Ministerial Council and in accordance with paragraph IV.1(A)6 of the OSCE Rules of Procedure, the European Union would like to make the following interpretative statement.

Paragraph IV.2(B)2 of the OSCE Rules of Procedure states that ‘the decision on the timetable and organizational modalities for each Ministerial Council meeting shall be adopted by the Permanent Council not later than one month before the meeting.’

While the European Union welcomes the decision adopting the timetable for the Twenty-Seventh Meeting of the OSCE Ministerial Council, we regret that consensus could not be reached on the modalities for the Meeting, and in particular on which organizations to invite and the modalities of their participation.

Under the OSCE Rules of Procedure for meetings of the Ministerial Council, paragraph IV.2(B)5 states that, ‘For each meeting, the Permanent Council shall specify the list of international organizations, institutions, and initiatives to be invited to attend and to make oral and/or written contributions.’ In the absence of consensus on this issue, the Chairmanship-in-Office should fall back on past agreed modalities.

The decision on the timetable of the Twenty-Seventh Meeting of the OSCE Ministerial Council does not represent a precedent for the organization of future Ministerial Council meetings.

We request that this statement be attached to the relevant decision.”

The candidate country the Republic of North Macedonia¹, the country of the Stabilisation and Association Process and potential candidate Bosnia and Herzegovina, and the European Free Trade Association country Iceland, member of the European Economic Area, as well as San Marino and the United States of America align themselves with this statement.

1 The Republic of North Macedonia continues to be part of the Stabilisation and Association Process.
