
13th Plenary Meeting
PC Journal No. 13, Point 5(b)**DECISION No. 30**

The Permanent Council

Takes note with satisfaction of the report by the Head of the OSCE Mission to Latvia and the Representative of the Chairman-in-Office on the consultations between representatives of Latvia and the Russian Federation on the issue of the demobilized military personnel of the Russian Federation and their family members remaining in Latvia not in accordance with the respective bilateral agreements;

Welcomes the willingness of the Parties to solve - through increased bilateral consultations and joint efforts in accordance with Latvian legislation, the respective bilateral agreements, international law and OSCE principles - the problem of the demobilized military personnel of the Russian Federation and their family members remaining in Latvia not in accordance with the respective bilateral agreements and included in the list submitted by the Russian side;

Emphasizes the need to accelerate the solution of the above-mentioned problem and encourages the Parties to make full use of the advice and good offices of the OSCE.
