**9th Plenary Meeting**  
PC Journal No. 9, Point 5(e)**DECISION No. 19**

Recognizing the urgent need to render the High-Level Planning Group (HLPG) fully operational,

Taking account of the fact that some funds remain available in the budget of the Initial Operations Planning Group (IOPG), and

Considering that the rent costs of the temporary offices of the HLPG will be covered by the host country,

The Permanent Council decides

To authorize the Secretariat to conclude an agreement by which offices located in the Frimbergergasse 6-8 in Vienna will become available to the HLPG for a period of five and a half months; and

To authorize the Secretariat, supported by the HLPG, to procure the Electronic Data Processing and communications equipment needed in these offices within the limits of the total funds available in the budget of the IOPG.
