OSCE Questionnaire on Anti-Personnel Landmines

Part I

1. Is your country a State Party to the 1996 Amended Protocol II on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices annexed to the 1980 Convention on Conventional Weapons (CCW)?

Yes Malta is a State Party to the 1996 Amended Protocol II.

If yes:

2. Please attach the most recent annual report submitted by your country in accordance with Article 13 of the Amended Protocol or give the appropriate electronic address for the report.

Attached please find this annual report dated 13 April 2021 covering the reporting period 01 Jan 2020 till 31 Dec 2020

Part II

7. Has your country ratified or acceded to the 1997 Convention on the Prohibition of the Use, Stockpiling, Production and Transfer of Anti-Personnel Mines and on Their Destruction?

Yes Malta ratified the said Convention on 7th May 2001.

8. (a) If yes, please attach the most recent report submitted by your country in accordance with Article 7 of the Convention or give the appropriate electronic address for the report.

Attached please find the 2020 Report.

(c) Has your country adopted legislation to address the humanitarian objectives of the convention, or taken any specific measures regarding the use, production, storage, transfer and destruction of anti-personnel landmines? In case a moratorium has been introduced, what is its scope and duration and when was it introduced?

Malta has not adopted any legislation that addresses the humanitarian objectives of the Convention. Malta's legal framework is in place with regard to the prohibition of the use, production, storage, transfer and destruction of anti-personnel landmines through the National Interest Enabling Powers Act, (Chap. 365) and the Military Equipment (Export Control) Regulations. No moratorium was introduced.

9. Does your country have any specific measures in place to provide assistance to victims?

N/A

10. Does your country require assistance in mine clearance, stockpile destruction, mine awareness and/or victim assistance? If so, please describe.

Malta does not produce, use, stock or transfer anti-personnel landmines. There are no known mined areas within Maltese territory and no such assistance is required.

11. Does your country have the capacity to assist others in mine action? If so, please describe.

Due to the small size of the force, the Armed Forces of Malta are limited in their ability to provide assistance. This position is renewed annually.

¹ Notes on using the cover page:

1. The cover page could be used as a **complement** to submitting detailed forms adopted at the [First and Second] Meetings of the States parties in instances when the information to be provided in some of the forms in an annual report is the same as it would be in past reports. That is, when using the cover page, only forms within which there is new information would need to be submitted.
2. The cover page could be used as a **substitute** for submitting detailed forms adopted at the [First and Second] Meetings of the States parties only if all of the information to be provided in an annual report is the same as in past reports.
3. If an indication is made on the cover sheet that the information to be provided with respect to a particular form would be unchanged in relationship to a previous year's form, the date of submission of the previous form should be clearly indicated.

OSCE Questionnaire on Explosive Remnants of War - 2020

1. Has your country notified the Depositary of its consent to be bound by the 2003 CCW Protocol V on Explosive Remnants of War (ERW) once it enters into force? Is your country considering doing so?

Malta is one of 87 States that have consented to be bound by the 2003 CCW Protocol V.

2. If yes, at what stage is the process?

Not applicable

3. Would your country be interested in receiving assistance in clearing or otherwise minimizing the risks and effects of ERW? If so, please describe.

No such assistance is required by Malta.

4. Does your country have the capacity to assist others in clearing and minimizing the risks and effects of ERW? If so, please describe.

Due to the small size of the force, the Armed Forces of Malta are limited in their ability to provide assistance.
