

**13TH OSCE ECONOMIC FORUM IN PRAGUE
MAY 23 -27, 2005**

ENGLISH only

**PROPOSALS BY THE DELEGATION
OF THE REPUBLIC OF AZERBAIJAN**

Session 4

OSCE in cooperation with other relevant organizations should seek to:

1. render assistance to countries of origin in establishment of modern acceptance points for migrants;
2. provide training for specialists involved in migration issues, esp. those that participate in the procedure of determination of the status of migrants;
3. establish migration information centres for interested countries.

Session 5

OSCE in cooperation with other relevant organizations should seek to:

1. provide assistance in improvement of national legislation and elaboration of national migration programs in interested countries;
2. promote active involvement of the international donor community in implementation of relevant national migration programs.
