## What does community safety imply?

Feeling safe at home, at school, at work or in the street.

Having a strong local community.

Having direct communication with the police and local institutions.

## What is community policing?

It is a way of improving community safety.

It implies the community and the police working together to identify and address issues related to crime, safety, security and quality of life.

It calls for partnerships between the community, the police and local institutions in crime prevention and problem solving.

## What is the local public safety committee LPSC?

It is one of the mechanisms to implement community policing initiatives and improve community safety.

It brings together local community members, police officers, local officials and representatives of schools, women and youth who work together to improve community safety and quality of life.

## How and where are the LPSCs established?

LPSCs are established in local communities.

They are established by the police at the request of the local community.

## Who can be a member of the LPSC?

Anyone willing to contribute to the well being of their community and to co-operate with the police, municipal institutions, schools and other local representatives.

## How can you and your community benefit from you as a member of the LPSC?

You will have better communication and cooperation with the police.

You will be able to improve your and your community's safety, security and quality of life.

## Where can I find more information on LPSCs?

Just visit your nearest police station or the LPSC in your area
