FINAL RECOMMENDATIONS OF THE HELSINKI CONSULTATIONS**

By the Delegation of the Russian Federation:

“In the light of the decision adopted today by the Permanent Council concerning the completion of the Financial Action Task Force’s (FATF) questionnaire on measures to suppress the financing of terrorism, the Russian Federation wishes to state that it attaches great importance to the strengthening of international instruments for combating terrorism’s sources of support and that it is undertaking this step within the OSCE even before finalizing its own internal procedures for the improvement of its legislation.
