

HATE MONITOR

OCTOBER 2019

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

On 23 October 2019, representatives of 21 CaHs met in Doboj to discuss current activities on the development and revision of Community Cohesion Action Plans (CCAPs) and to further improve internal and external communication of CaHs when analysing the security and social cohesion situation in their local communities.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
