FSC Journal No. 1002, Agenda item 4

**DECISION No. 7/21
UPDATED BEST PRACTICE GUIDE ON NATIONAL PROCEDURES
FOR MANAGEMENT, SECURITY AND DESTRUCTION OF
MAN-PORTABLE AIR DEFENCE SYSTEMS**

The Forum for Security Co-operation (FSC),

Fulfilling the mandate given by Ministerial Council Decision No. 10/17 on small arms and light weapons (SALW) and stockpiles of conventional ammunition (SCA), adopted in Vienna in December 2017, and encouraged by the acknowledgement of the 2018 Milan Ministerial Council Declaration on OSCE Efforts in the Field of Norms and Best Practices on SALW and SCA of “the need for the OSCE to continue to enhance its SALW- and SCA-related norms and best practices and their implementation”,

Recognizing the outcomes of the United Nations Seventh Biennial Meeting of States to Consider the Implementation of the Programme of Action to Prevent, Combat and Eradicate the Illicit Trade in Small Arms and Light Weapons in All Its Aspects, which took place in New York from 26 to 30 July 2021,

Acknowledging that the updated best practice guide could also serve as a guide for national policymaking on the part of participating States and encourage the voluntary implementation of higher common standards of practice among all participating States,

Noting that the updated best practice guide could also be useful to OSCE Partners for Co-operation and other United Nations Member States in their efforts to strengthen procedures for management, security and destruction of man-portable air defence systems,

Taking into account the following FSC decisions:

- FSC Decision No. 7/03 which recognized that MANPADS should be given special attention and urged participating States to propose projects for tackling MANPADS-related problems including, *inter alia*, stockpile security and management,
- FSC Decision No. 3/04 which recognized the threat posed by the unauthorized proliferation and use of MANPADS, adopted measures to enhance the effective export control of MANPADS in the OSCE area and made specific reference to

assessment of the recipient government's physical security arrangements for MANPADS,

Decides to:

1. Welcome, giving it its full title, the updated Best Practice Guide on National Procedures for Management, Security and Destruction of Man-Portable Air Defence Systems (MANPADS), which provides best practice guidance on weapons and ammunition management for MANPADS (FSC.DEL/262/20/Rev.1);
2. Endorse the publication of the updated best practice guide in all six OSCE languages and to encourage participating States to make the guide available as appropriate;
3. Task the Conflict Prevention Centre with ensuring the widest possible circulation of the updated best practice guide, including to the OSCE Partners for Co-operation and the United Nations;
4. Request that the updated best practice guide be presented at the Eighth Biennial Meeting of States to Consider the Implementation of the Programme of Action to Prevent, Combat and Eradicate the Illicit Trade in Small Arms and Light Weapons in All Its Aspects.

This decision supersedes FSC Decision No. 3/06 on Annex C: Man-Portable Air Defence Systems (MANPADS) dated 29 March 2006.
