Delegation of the Russian Federation

**STATEMENT BY MR. ANDREY KELIN,
PERMANENT REPRESENTATIVE OF THE RUSSIAN FEDERATION,
AT THE 1025th MEETING OF THE
OSCE PERMANENT COUNCIL**

13 November 2014

On the situation regarding Eston Kohver

Mr. Chairperson,

We take note of the statement by our Estonian colleagues.

We should like to emphasize that the co-operation between Russia and Estonia regarding Eston Kohver, a member of the Estonian security police detained on suspicion of espionage, is proceeding in a regular manner. We see no grounds for considering this matter in the Permanent Council.

However, in case our Estonian colleagues have not received adequate information from Tallinn, we are willing to offer the following communication. At the recent session of the Lefortovo District Court in Moscow, it was decided to detain Mr. Kohver in custody for a further two months, until 5 January 2015. During this time he has the possibility of meeting regularly with the Estonian consul in Russia. The most recent meeting took place on 6 November, after which the consul confirmed that Mr. Kohver's health was satisfactory.

Mr. Kohver has made no complaints about his health or conditions of detention, nor has his lawyer made any claims in this regard. He can obtain provisions, newspapers and other things he needs through the consular representative.

We are also aware that Estonia has filed a request with the Russian authorities for Mr. Kohver to be examined by Estonian doctors. This matter is being considered by the relevant channels.

Thank you for your attention.
