

# HATE MONITOR

FEBRUARY 2023

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In February, Trebinje City Mayor adopted a revised Community Cohesion Action Plan covering the period from 2023 to 2025. This is the next chapter in efforts to foster social cohesion and builds upon success stories of the previous period. The plan foresees support to systematic research on topics related to social cohesion that will set baselines for future activities.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
