

Second day of the Fourteenth Meeting
MC(14) Journal No. 2, Agenda item 8

**DECISION No. 8/06
FURTHER EFFORTS TO IMPLEMENT THE
OSCE DOCUMENTS ON SMALL ARMS AND LIGHT WEAPONS
AND STOCKPILES OF CONVENTIONAL AMMUNITION**

The Ministerial Council,

Willing to further build upon the OSCE Strategy to Address Threats to Security and Stability in the Twenty-First Century adopted by the Eleventh Meeting of the Ministerial Council, the OSCE Document on Small Arms and Light Weapons (SALW), the OSCE Document on Stockpiles of Conventional Ammunition, and other relevant decisions adopted in the framework of the OSCE,

Determined to continue implementing the United Nations Programme of Action to Prevent, Combat and Eradicate the Illicit Trade in Small Arms and Light Weapons in All its Aspects by contributing to the reduction and prevention of the excessive and destabilizing accumulation and uncontrolled spread of SALW, including the risk of their diversion into illicit markets, the hands of terrorists and other criminal groups,

Recognizing the security and safety risks posed by the presence of stockpiles of conventional ammunition, explosive material and detonating devices, including liquid rocket fuel (melange), in surplus and/or awaiting destruction in some States in the OSCE area, and reaffirming the will of the OSCE to consider providing assistance regarding the destruction of these stockpiles and/or the upgrading of stockpile management and security practices for States that request it,

1. Welcomes the progress achieved so far in the framework of the OSCE in implementing the OSCE Document on Small Arms and Light Weapons and the OSCE Document on Stockpiles of Conventional Ammunition, including the development of projects with the aim of containing and reducing the dangers emanating from surplus stockpiles of SALW, as well as stockpiles of conventional ammunition, explosive material and detonating devices, including liquid rocket fuel (melange);
2. Takes note with appreciation of the ongoing work in the Forum for Security Co-operation to develop best practice guides related to stockpiles of conventional ammunition;

3. Takes note of the progress report on the further implementation of the OSCE Document on Stockpiles of Conventional Ammunition, as submitted to the Fourteenth Ministerial Council meeting pursuant to Ministerial Council Decision No. 8/05;
4. Also takes note of the progress report on further implementation of the OSCE Document on Small Arms and Light Weapons, as submitted to the Fourteenth Meeting of the Ministerial Council;
5. Calls upon the Forum for Security Co-operation (FSC) to continue its efforts to address these issues in a comprehensive way both within and outside of the OSCE area, reflecting the OSCE's concept of co-operative security and working in concert with other international fora;
6. Tasks the FSC to submit, through its Chairperson, the progress reports on the continuing implementation of the OSCE Document on Small Arms and Light Weapons and the OSCE Document on Stockpiles of Conventional Ammunition to the Fifteenth Meeting of the Ministerial Council in 2007.
