United States Mission to the OSCE

Statement on the Wilder Film

As delivered by Ambassador Julie Finley
to the Permanent Council, Vienna
April 10, 2008

Thank you, Mr. Chairman.

The United States firmly supports both freedom of expression and freedom of religion.

We believe that in a free society, people have the right to express their views, even when others disagree with them. Those who disagree also have the right to reject such views, so long as they do so peacefully.

Thank you, Mr. Chairman.
