**Statement of the Delegation of Albania,  
In response to the EU Statement on the Political Situation in Kosovo**

**As delivered by the Permanent Representative, Ambassador Spiro Koçi,  
at the 1025th meeting of the OSCE Permanent Council  
13 November 2014**

We subscribe to the statement just delivered by the EU delegation. We share the concerns raised. We think that following the successful electoral process of 8 June, and regardless the fact the Kosovo's institutions are functioning in accordance to the Kosovo's laws and Constitution, it is of the utmost importance that Kosovo's political leaders find rapidly a solution leading to the constitution of the new state institutions.

On this occasion, let me also express our regret on the fact that no Kosovo's representative is here in this forum to listen to the concerns raised also by the EU delegation to the OSCE, to listen and eventually to thank them for their willingness to support their institutions, to interact and to convey home these very constructive and timely messages. And, in this context, I wish to reiterate that it is necessary to work together, with all OSCE delegations, to enable Kosovo to have soon a seat in the OSCE.

I thank you Mr. Chairperson.
