THE RIGHTS OF **CHILDREN FROM ETHNIC AND RELIGIOUS MINORITIES** IN SCHOOLS
ARE NEGLECTED BY MUNICIPAL AUTHORITIES AS A RESULT OF **LEGAL AND STRUCTURAL**
DISCRIMINATION IN FINNISH SOCIETY

By the non-governmental organisation *DIVa - Parents for Diversity*

There is a need for a supervising authority for the schools to ensure the implementation of the curriculum, children's rights, human rights, and to guarantee equality, equity, and justice for all children and families at schools in Finland.
