

HATE MONITOR

SEPTEMBER 2020

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

Highlighted

In September in Prijedor, CaH organized an Open Sport Tournament in table tennis for 50 young boys and girls, including children with disabilities. The tournament was followed by the "Wear a Mask Campaign", in which masks branded with the CaH logo were distributed among participants.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
