

HATE MONITOR

AUGUST 2014

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

On 9 August 2014, at the 2014/15 UEFA Women's Champions League qualifying round in Sarajevo, the SFK2000 team captain delivered a message against hate while displaying the Supergradjani/ke logo. This action, unprecedented for such an event in BiH, received the full support of UEFA.

The Hate Monitor provides an update on all hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report each month.
