

HATE MONITOR

OCTOBER 2022

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In October, the Administration of the City of Mostar and CSOs organized a Community Cohesion Action Plan (CCAP) development workshop to review relevant CCAP inputs and social cohesion practices. Activities included developing response strategy of the City when polarizing incidents occur, but also the implementation of practical activities that enhance cohesion and foster support between different communities.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
