

HATE MONITOR

JUNE 2024

Hate-motivated incidents are often violent manifestations of intolerance which instil fear and divide communities. Tackling underlying prejudice is essential in combating the spread of these divisive actions. The OSCE Mission to BiH supports the work of government institutions, the criminal justice system, local authorities and civil society to effectively respond to these incidents. The Hate Monitor provides a monthly update on incidents and responses throughout BiH.

In June, representatives of public institutions and CSOs in Kakanj and Novi Travnik participated in workshops on social justice aimed at enhancing connectivity and promoting socially responsible and cohesive communities. As a result, the participants acquired skills to recognize prejudices, identify discriminatory behaviours and support victims from marginalized groups.

The Hate Monitor provides an update on all potential hate-motivated incidents and responses known to the OSCE Mission to BiH at the time of publishing the report.
