Force protection

Initially re-active and inward looking approach:

To avoid gender scandals

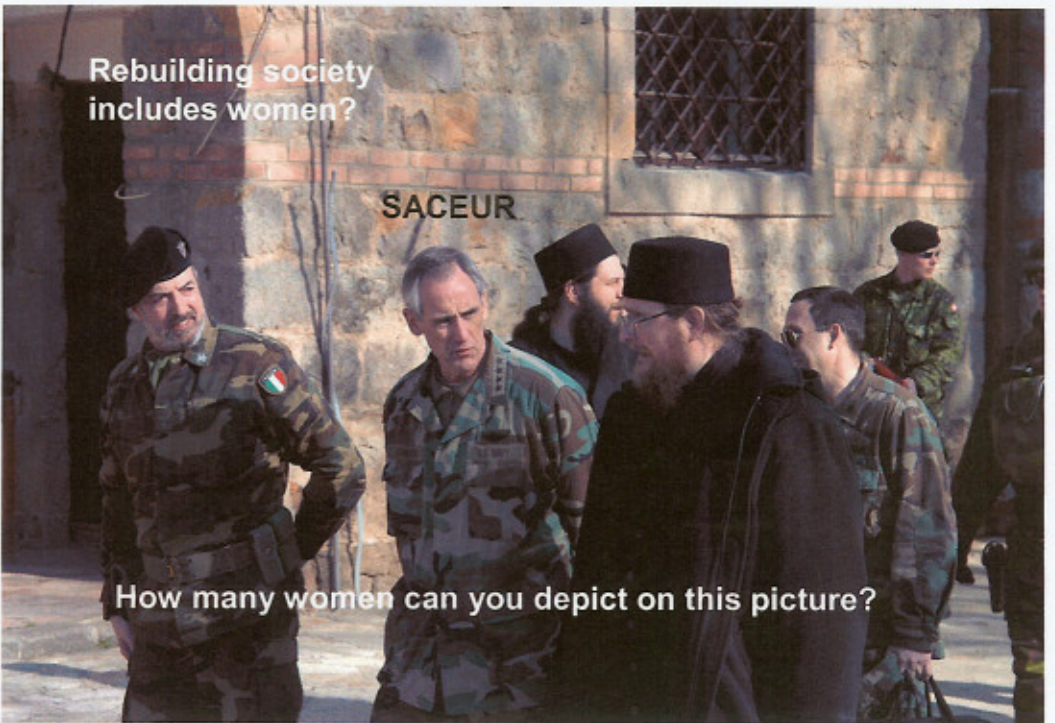

Cohesion, Trust

Cohesion ,team spirit and trust is effectiveness and Force Protection

UNCR 1325 is about strategic effect, operational effect and Force protection

Rebuilding society includes women

Planning operations need information and understanding of the environment, Gender is not something extra, it is part of the environment, hence an integral part of the planning of operations. This needs training and educating.

Trust among the troops and the with the society is Force Protection, hence implementing UNCR 1325 is natural but not always easy.

Expeditionary mindset

Gender Action plan

Gender day

Gender advisor

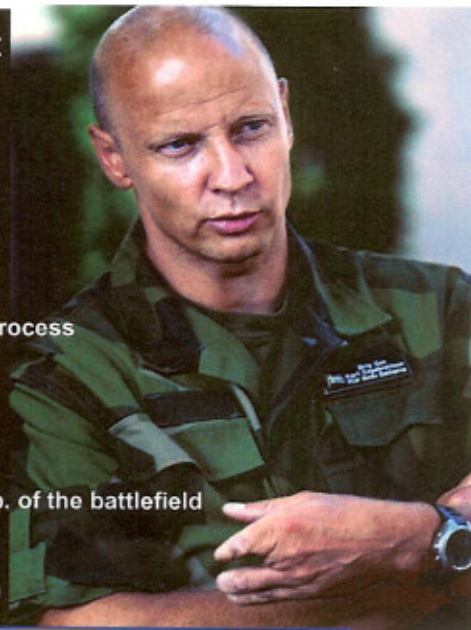

Gender Focal Points

Gender as a part of the planning process

General Order No1 about values

Minority network

Gender as part of intelligence prep. of the battlefield

Victory through Values
